

The steamer *Lehua*, under contract with the U. S. Lighthouse Department here, has departed for Molokai and Hawaii to overhaul, paint and examine the moorings of all the buoys. The captain will examine the Kamalo reef bell buoy, Maalea bay bell buoy, Hilo whistling buoy and Hilo buoy No. 2. Spare buoys were taken along and when the old ones were taken in the new ones will be installed. The old ones will be taken to the Territorial dock at Hilo and stored after they have been thoroughly overhauled and made ready for service, should any accident to any of the new buoys take place. Mr. Shaw of the lighthouse department went in the *Lehua* as supercargo to supervise the work, thereby saving Captain Niblack a trip which will give him time to catch up on the work which accumulated while he was at Midway.

SAUNDERS O. K.?

The Examiner says:

When the colossal liner *Manchuria* leaves this port next Wednesday on her voyage to the Orient, Captain James W. Saunders will be in command on her bridge. Judge Kerrigan yesterday advised Secret Service Agent Helms to return Captain Saunders' naturalization papers temporarily, so that a further investigation in his case can be made.

The request of Judge Kerrigan that the papers be returned is not on account of any error or premature action on the part of Agent J. H. Helms. When Captain Saunders made an affidavit and surrendered his papers he did not state that his parents resided in the United States since he was 15 years old. The verification of that fact may not make the papers legal, because Captain Saunders sailed in British vessels between Boston and Nova Scotia while his parents lived in the United States, and, technically, he was a subject of the country under whose flag he sailed, even though he stayed in Boston between voyages. A further investigation will make the status of Captain Saunders plain, and in the meantime he will command the *Manchuria*.

The Pacific Mail Company also requested that he be allowed to take the vessel out. If possible, the sudden shifting of masters might result in a loss of life and property. Though some other captain might be equally capable of navigating the vessel, no other master in their employ knows the *Manchuria* so well as Captain Saunders. Owing to the fact that Captain Saunders proved that he was unaware of any fraud in the obtaining of his papers, Judge Kerrigan recommended that Mr. Helms be as lenient as possible until a later investigation could be made on the new points in the case.

Henry Morton, chief officer of the *Manchuria*, has his papers under investigation by Secret Service Agent Helms. While there are no evidences of fraud in connection with Mr. Morton's papers his case is a peculiar one, and Mr. Helms will present it to a United States judge for decision.

First Officer Morton was born in Ireland in 1869. He came to the United States in 1889, and January 6, 1891, he appeared before the Superior Court of San Diego and took out his first intention papers. June 13, 1892, he applied to the Superior Court in this city for naturalization as a minor. The irregularities in his papers are not fully fraudulent.

PIRATES AT CHICAGO.

CHICAGO, September 18. — With a black flag flying from its masthead and its occupants armed, a sailing craft appeared off Thirty-third street yesterday, and after a battle with members of the Douglas Yacht Club, in which the latter were forced to appeal to the police, weighed anchor and disappeared in the direction of South Chicago.

The appearance of the "pirate" ship, as the police say, was seen by scores of persons on the shore and from windows in a number of houses. The vessel dropped anchor less than half a mile out in the lake, and its sailors clambered over its sides into a yawl and were rowed to the small building of the yacht club.

Carrying rifles and other weapons, the invaders gave chase to those sitting on the porch of the buildings and pursued them for some distance. Blows were exchanged and hand-to-hand struggles were engaged in, but the persons who comprised the small party at the boathouse were routed and telephoned to the police.

As the first of the policemen appeared the "pirates" hurried to where their yawl was rowed back to their yacht and sailed away.

The police believe that the "pirates" are youthful burglars who live in the district south of Hyde Park, and who have long been wanted for a series of robberies.

PIRATE CRAFT SOLD.

VICTORIA (B. C.), September 23. — The sailing schooner *Acapulco*, formerly the *Carmenista*, was sold today by the Marshal of the Admiralty court to satisfy claims of her crew. She was purchased by P. P. Brown of this city for \$1000, the amount claimed by the crew.

THE OLD RELIABLE

The *Carmenista* is at present without registry, but the circumstance of the sale will allow a registry to be given her. It was stated that her purchaser bought the vessel on behalf of her previous owners in San Francisco, but he denies it.

A SMART TRIP.

The schooner *Charles Levi* Woodbury arrived yesterday morning from Laysan Island, making the trip in the very good time of 13 days. She brought the heavy load of nearly 125 tons of guano. The trip was uneventful for a change. The schooner will leave for Laysan in the near future for another load of guano.

COUNSELLMAN AGROUND.

The tug *Charles* Counsellman, while leaving the harbor yesterday morning to meet an incoming vessel, went aground. She was quickly backed off without damage.

SOLD BOOZE TO WOMEN

Frank Fisher's trial for selling liquor without a license, the first criminal trial of the September term, began before Judge Robinson yesterday, but the prosecution had not rested at 4 p. m. F. W. Milverton is prosecuting, and S. F. Chillingworth defending. The jury consists of Sylvester Crook, A. E. Cooke, Farm Cornn, A. A. Montano, Ulysses H. Jones, L. H. Dee, Frederick Turill, B. Saylor, M. Bransch and Wm. T. Raposa.

Several Porto Rican women are witnesses for the Territory, swearing frankly that they bought drinks and paid for them in Fisher's place.

GRAND JURY SECRETS.

Judge Robinson denied the motion by A. Perry and H. G. Middleitch to quash the indictment of Takada for murder, on the ground that neither the Deputy Attorney General nor the grand jurors could be questioned as to what took place before the grand jury. A new motion to quash was filed, which will be argued on Monday, on the grounds that neither Foreman Phillips nor Deputy Attorney General Peters had authority to sign the indictment and that there was a failure to try the case or either change or extend the venue at the April term when the indictment was presented. Deputy County Attorney Milverton represented the Territory.

JAPANESE LIBEL CASE.

A case of criminal libel brought by K. Ono against C. Shiozawa, editor and proprietor of the *Hawaii Shimpo*, was continued by Judge Whitney yesterday until today. A. S. Humphreys appeared for the prosecution and K. W. Breckons for the defendant. The alleged libel was contained in a *Shimpo* article accusing Consul Saito of having failed to make public the fact that \$500 had been received by him from H. P. Baldwin for the relief of the family of Yamagata, the Japanese who came to his death recently from the effects of being burned with gasoline at Puunene mill, on H. C. & S. Co.'s plantation, Maui. It was contended in the *Shimpo* that the fact of the charitable contribution should have been published, as there was much feeling among the Japanese laborers against Douse, the assistant engineer, who was accused of causing Yamagata's death and is now awaiting trial therefor.

Twitching Nerves

COLD SWEATS, STOMACH TROUBLE AND WEAKNESS.

Cured by Disregard for Health and Cured by Dr. Williams' Pink Pills for Pale People.

Nature punishes every infraction of her laws, and careless habits easily lead to the condition described by Mr. William Browne, of No. 1019 Lincoln street, St. Joseph, Mo. Mr. Browne is an expert tinner in the employ of the National Biscuit Co. He gives the following account of a trying experience: "In the spring of 1902," he says, "while I was regularly working at my trade, I grew somewhat careless in my habits of eating and drinking, and finally found that my appetite was feeble, a bad taste lingered in my mouth, my nerves twitched and were beyond my control, my kidneys were out of order and cold sweats would break out over my body at odd times. Perhaps, while I stood talking with some one, this trembling of the limbs, and profuse sweating, and a severe chill would seize me. I became alarmed at my condition and having read an endorsement of Dr. Williams' Pink Pills, I got a box and began to use them. They helped me at once. After I had used one box the twitching of the nerves, the trouble with the stomach and the cold sweats stopped and have not reappeared, and my appetite is good. I have told all my friends that Dr. Williams' Pink Pills cured me and I recommend them to everybody."

Dr. Williams' Pink Pills cured Mr. Browne because nothing can strengthen the nerves except good rich, red blood—and Dr. Williams' Pink Pills actually make new blood. They don't act on the bowels. They don't bother with mere symptoms. They drive from the blood the cause of anemia, indigestion, nervous disorders, general weakness and the troubles of growing girls and women.

Furthermore, Dr. Williams' Pink Pills for Pale People are absolutely guaranteed to be entirely harmless to the most delicate constitution and may be taken without fear. They have cured thousands of cases and if you will write to the Dr. Williams Medicine Co., Schenectady, N. Y., stating your trouble, you will receive a frank reply. If the pills will cure you, proof will be furnished; if they are not suited for your trouble, you will be honestly told so.

ALIMONY IS SAVED BY DROPPING SUIT

Harry W. Flint by his attorney, A. Humphreys, filed a discontinuance of his libel for divorce against Daisy K. Flint. This was after the libellee by her attorneys, Thompson & Clemons, had moved for an order directing the libellant to pay temporary alimony and an attorney's fee to her.

Fredrico Freitas Comprido by his attorney, E. A. Douthitt, has filed a general denial to the complaint in divorce of Maria Rodriguez Comprido. Summons in the divorce suit of Kelli Hamm vs. Frederick Hamm has been returned unserved, as the libellee could not be found in the Territory of Hawaii. The parties were married at Hilo on Oct. 2, 1901, and the wife alleges the husband has failed to provide for her since April, 1904.

ARMY CHAPLAIN TALKS FOR HAWAII

Chaplain John T. Axton, 18th U. S. Infantry, formerly Y. M. C. A. secretary at Salt Lake City, writes the Hawaii Promotion Committee that he has been lecturing on "My Brown Brother" throughout Kansas, mostly in the vicinity of Fort Leavenworth, using several lantern slides of Hawaiian scenes provided by the Promotion Committee. Chaplain Axton will continue to give his lecture on Hawaii for the next two or three months, going to states adjacent to Kansas. He asks for more slides and these will be furnished him at once.

DOWDELL'S MISFORTUNES.

It is a strange coincidence that the brother of Captain Dowdell of the *Alameda*, who was in command of the steamer *City of New York*, lost his steamer on the same rock that has wrecked the *Alameda*. Captain Dowdell of the *Alameda*, was taking the doomed vessel on her 15th run when she went on the rocks.

R. C. A. Peterson, who returned on the *Manchuria* from San Francisco, says that the Cunha-Ellis Hawaiian Quintet is making one of the greatest hits in San Francisco as the star attraction at the Techna Tavern. Ellis has a separate contract with the management, he to sing solos, as well as to sing with the club, and is receiving a large salary. There is such a demand for Hawaiian quintet clubs on the Coast that several of the band boys remained behind.
